

## *SuNN Stampin' Loyalty Reward Program*

- For every online purchase of \$40 (before tax and shipping) you will receive 1 point.
- Points are accumulative, if you made an \$80 (before tax and shipping) you will receive 2 points and so on.
- When you receive 15 points you can choose a FREE stamp set of your choice (excluding hostess stamp sets) and I will send it to you ASAP (I'll even pay the shipping). Just a note here, there is no price cap for this reward so if you want you can get the most expensive stamp you want or just one that you don't have. The choice is yours.
- You must be living in Canada to shop with me.
- One stamp set per every 15 points.
- You have to keep track of your own points. You can view your order history in your online Stampin' Up! account. With your first purchase with me at my online store I will send you a Loyalty Program sheet with your "Thank you" card. Keep this sheet handy for the next online purchase you will make.
- All orders must be under your customer name (you'll also find that in your account on the Stampin' Up! website).
- Customers cannot combine points with each other.
- Online orders only will qualify for this rewards program.
- Points have a 2-year expiry date.
- When you reach 15 points you need to email me (sunnstampin@gmail.com) with your purchase history. You can either scan the Loyalty Program Page I sent to you or type the information in the email or send me a copy via snail mail. You'll also need to let me know what FREE stamp selection you want (excluding hostess sets) AND your mailing address. I will email you within 48 hours.
